LANGHAM HOTEL HONG KONG GUARANTEES BEST AVAILABLE ROOM RATE ON HOTEL OFFICIAL WEBSITE

(Hong Kong, April 2006) The Langham Hotel Hong Kong is proud to announce the best room rate guarantee on its official website.

As a member of The Leading Hotels of The World, Langham Hotel Hong Kong is dedicated to provide convenience to guests by offering the best available room rate on the hotel's official website (hongkong.langhamhotels.com).

"We can see that more and more frequent international travelers are making their bookings online," commented Mr. Nigel Roberts, the hotel's Managing Director, "and with this trend, we would like to make sure our guests are offered the best directly from us."

The Best Online Rate Guarantee Program ensures that the hotel's official website is the only internet site that is listing the Langham Hotel Hong Kong's most attractive publicly available room rate online. If a lower rate is found on other websites, the hotel will not only honour that rate, but also offer a further 25% discount on that lower room rate.*

"Business guests who travel frequently really have very limited time," added Ms. Kristy Lee, the hotel's Director of Sales & Marketing. "Our program truly suits the needs of these guests, who can now book their accommodation through our hotel website at any time anywhere without having to worry if there is a better rate out there."
